AUTISM SPEAKS IS ENHANCING LIVES TODAY AND ACCELERATING A SPECTRUM OF SOLUTIONS FOR TOMORROW

ABOUT AUTISM

Autism or autism spectrum disorder (ASD), refers to a broad range of conditions characterized by challenges with social skills, repetitive behaviors, speech and nonverbal communication. We now know that there is not one autism but many subtypes, and each person with autism can have unique strengths and challenges. Most are caused by a combination of genetic and environmental influences, and many are accompanied by medical issues such as GI disorders, seizures and sleep disturbances. The U.S. Centers for Disease Control and Prevention (CDC) estimates **1 in 68 children is on the autism spectrum.**

ABOUT AUTISM SPEAKS

Autism Speaks is dedicated to promoting solutions, across the spectrum and throughout the life span, for the needs of individuals with autism and their families. We do this through advocacy and support; increasing understanding and acceptance of autism spectrum disorder; and advancing research into causes and better interventions for autism spectrum disorder and related conditions. Through partnerships and collaboration, we are committed to:

- **Increasing global understanding and acceptance of autism**
- **Being a catalyst for research breakthroughs**
- **Increasing early-childhood screening and timely interventions**
- **Improving the transition to adulthood**
- **Ensuring access to reliable information and services throughout the life span**

INTRODUCTION

SPONSORED BY ALPHA XI DELTA

WHAT IS AUTISM SPEAKS WALK?

Autism Speaks Walk is powered by the love of parents, grandparents, siblings, friends, relatives and support providers for people with autism. With every step you take and every dollar you raise, you help enhance lives today and accelerate a spectrum of solutions for tomorrow.

HERE'S WHAT TO EXPECT

1. *Planning begins well before Walk day.* To have a successful Walk, we ask all of our participants to register online and begin fundraising as early as possible to fuel the mission of Autism Speaks. Register at **AutismSpeakWalk.org**
2. Arriving at Walk Day you will go through our registration area. Here you can check in or register, receive your "Mission Moment" pom pom and pick up your *T-Shirt, Tribute Medallion* and/or *Grand Club Pin* (based on fundraising level attained). At this time, you have an opportunity to make/turn in any additional donations.
3. As you enter the Walk, you will notice that the staging area leading up to the *Opening Ceremonies* is festive yet sensory friendly. Light music will be playing, there will be announcements from the stage, small sensory friendly activities, an *Autism Speaks Resource Tent* and *Corporate Sponsor* area. This is really a time for you and your team members to join together and celebrate the reason you are walking with Autism Speaks!
4. **Opening Ceremonies** will begin exactly one hour after registration opens. It is a short, 15-minute program in which we host a very special **Mission Moment** that unites us all in the *Power of Love*. You will want to have the blue pom pom you received at registration handy to use during the opening ceremony.
5. After our special *Mission Moment Ceremony* there will be a sensory friendly countdown and the Walk will begin. Most Walk routes are 2-3 miles and all are family-friendly and noncompetitive so you can walk as little or as much as you wish!
6. When you return from walking there will be additional special family activities in a fun, relaxed atmosphere.

FUNDRAISE ON THE GO!

I'm Mobile Friendly!

Every task you can perform on the website can be done from your phone. Want to sign up? Simply visit your local Walk event from your smart phone or tablet. Want to send a fundraising email to friends and family? Just log into your dashboard from your smart phone and have the same experience on mobile that you would from your desktop. Now it's easier than ever to fundraise...on the GO!

SETTING GOALS

Set both an individual and team goal. Make your goals meaningful. Perhaps it's a birthday or personal milestone in honor of the person you are walking for. For past walkers your goal might be to exceed your past fundraising. There are lots of different ways to have fun setting your goal. We encourage each person to strive for a minimum of \$150 which earns you our limited edition Autism Speaks Walk t-shirt designed exclusively for our Walk fundraisers by Tommy Hilfiger.

Here are some tips for setting goals:

Your goal should be realistic but significant.

When people work hard to reach a strong goal they feel a real sense of pride and accomplishment when they succeed!

Include your team members. Having them involved in setting the amount will give them ownership in accomplishing the goal.

Share your goal with everyone, put it on your team and individual fundraising pages, in your emails, on social media posts and in your fundraising appeal letter. Sharing your goal lets others see your commitment.

Lead by example. Making the first donation towards your goal helps set the bar. By making a personal donation you show your donors and teammates how important this cause is to you.

By working with your fundraising coach and using Autism Speaks online fundraising tools, you and your team members will hit your goals in no time!

RECRUITING TEAM MEMBERS

An Autism Speaks Walk Team can be fueled by 1 or 1,000 team members!

The more team members you recruit the bigger your fundraising efforts can be. Team members can include family, friends, co-workers or neighbors.

Your *Participant Center* and online tools make recruiting team members easier. Since all of the registration and Walk materials are online you simply need to call or email your potential team members and share your team page link where they can register to join or donate. It's that easy!

You will also find a variety of social media tools on the *Fundraising Tools* page to help share your fundraising "ask" on social media.

Here are some tips to hosting a team Kickoff:

In-person team kickoffs are best: host a small wine and cheese party, a pot-luck Sunday lunch, a sports themed Dad get-together or any other fun idea to bring everyone together. *(If you aren't able to get everyone together in person consider using technology like Skype or Facetime to connect virtually.)*

Make sure you have a way to show your fundraising website online and are able to walk through the Participant Center.

Have handouts available:

- Facts About Autism Speaks
- Team and Individual Goal Setting Flyers
- Assignment Sheet
- Downloadable Tools from Autism Speaks Walk Website
- Fundraising Ideas

Kickoff Checklist:

- Be familiar with the Autism Speaks mission and vision** and encourage everyone to visit AutismSpeaks.org to learn more.
- Share “Why You Walk for Autism Speaks”** and encourage your team members to share their stories.
- Choose a team name**, consider dedicating your team in honor of a loved one with autism.
- Select a co-captain** to help you along the way.
- Set team and individual fundraising goals.** Discuss ways of reaching \$150 or more by the day of the Walk to earn our commemorative Walk T-Shirt designed exclusively for Walk fundraisers by Tommy Hilfiger!
- Show your online team fundraising page** and make sure all your team members are registered before they leave the Kickoff.
- Brainstorm potential team fundraising activities** and select at least one to do together, set a date and time if possible.
- Delegate tasks** to your team members and determine the best way to keep in touch.

A SUCCESSFUL TEAM CAPTAIN IS ALSO AN EFFECTIVE COACH!

Here are some tips for supporting your team members:

Encourage your team to use the online fundraising tools available through their *Participant Center*. During your team meeting, demonstrate how to navigate the *Center* and all of the fun things you can do to interact with donors.

Set a goal to **meet or exceed your fundraising goal by one week before the Walk** so you can pick up your *t-shirts, Tribute Medallions* and *Grand Club pins*. Set fundraising milestones!

Remember to personalize your team page and your personal fundraising page! Use pictures and tell why you and your team are walking for Autism Speaks.

Regularly check in on team member’s fundraising progress. Highlight team members that have exceeded their goals, hosted fundraising events or show increased fundraising momentum.

Be sure to offer assistance if a team member is struggling to hit their fundraising goals. We offer many ideas to help jumpstart fundraising efforts. Feel free to connect them with your local Autism Speaks staff member to offer additional fundraising coaching.

Communicate with your team often! Recognize your team’s progress and congratulate members for hitting milestones along the way. Keep them informed on any team Walk Day logistics. (*where to meet, team signs, event day details, etc.*)

Set up incentives or awards for your team members! Acknowledge your team members with tokens of appreciation like an award ribbon or button. For example: *Highest Fundraiser, Most Team Spirit, Most Donations Received, etc.* Get creative!

Delegate fundraising tasks and event day responsibilities to your team members, they want to be helpful and will appreciate the ask.

Thank you for fueling Autism Speaks’ mission to enhance lives today and accelerate a spectrum of solutions for tomorrow!

FUNDRAISING

ONLINE FUNDRAISING

Let your team members know that setting up and sharing their online fundraising page through the *Participant Email Center* is the easiest and quickest way to get the message out about your fundraising efforts. Share your stories with your team's potential donors. Coach your team members to consider the following questions when writing their stories:

- What motivated you to fundraise for Autism Speaks?
- Are you participating in honor of someone special?
- What is your fundraising goal?
- What is your team doing to raise money?
- Why is autism important to you?
- How can donors support your fundraising efforts? (*i.e. give an online donation, join the team, support a team fundraiser, spread the word*)

Fundraising studies show that emails with a link to your personal page are the quickest way to generate funds!

ONLINE RESOURCES

Curse Jar – Always a favorite! Place a curse jar in the office and whenever someone says a bad word they have to open up their wallet, grab a dollar and put it in the jar.

Company Grants – Find out if your company offers grants to employees who volunteer their time for charitable causes. You may need a letter from us confirming any volunteer activities, which we would be happy to provide.

Church Bulletin – Place an advertisement in your church newsletter letting the congregation know what you're up to! Or better yet, invite them to join you at the Walk.

Schools – Get your child's classroom or school to help you fundraise. Check out our Kids and Coins Tool Kit.

Alumni Organizations – Ask your own college or university to make a donation or place an ad in their alumni newsletter about your philanthropic efforts.

Ask for the Right Amount – Don't miss the opportunity to increase your "ask" to a larger pledge when you think it is doable.

Get an article in your local paper – Contact your local media outlet to share your human interest story about why you are walking. You can put in information about how people can contribute. And have a photo ready to go!

FREQUENTLY ASKED QUESTIONS

Q: Do I have to send in my donations? Can I bring them with me to the Walk?

A: While you can always bring your donations to the Walk, it is preferable that you mail them in prior to Walk day:

Autism Speaks

INSERT YOUR WALK CITY HERE

Walk Donations Department

1060 State Road, 2nd Floor

Princeton, NJ 08540

Please submit the donation forms with corresponding checks to ensure proper credit.

Q: What if people want to give me cash?

A: It is safest and best for record-keeping that you convert all cash received to checks or money orders. If you're able, send a personal check covering the full amount, along with the corresponding donation forms, to Autism Speaks. We will credit your friends and family for their generosity. If this is not possible, you can always bring the cash donations and appropriate donation forms to the Walk.

Q: What if my donors don't want to donate online?

A: You can always have your donors mail their donations directly to our Princeton, NJ address above. Please have them submit the corresponding donation forms with their checks so you will be credited for your fundraising efforts.

Q: Do I have to fill out one donation form for each check?

A: Yes. This is the best way to ensure you receive credit for all your fundraising efforts.

Q: What happens if it rains on the day of the Walk?

A: All Walks will be held on the date scheduled "rain or shine".

Q: Will the money turned in before the Walk, at the Walk and after the Walk, show up on my webpage and my donation report? How long will it take?

A: Absolutely. If the corresponding donation forms were filled out and submitted along with your donations, then you should see your fundraising efforts reflected on your webpage and donation report within four weeks.

Q: Where do I get donation forms?

A: Donation forms can be printed from each participant's individual webpage. The link "make a donation offline" is just under your goals.

Q: Who should checks be made payable to?

A: Please ask your supporters to make checks payable to Autism Speaks.

Q: Is there a fee to participate?

A: All participants are encouraged to fundraise a minimum of \$150.

Q: How do I find my supporter ID number?

A: There are a few ways to find supporter ID numbers for yourself or for your registered family members. If the suggestions below do not help, please contact us at Walks@AutismSpeaks.org.

You will receive an email confirmation after you register with your supporter ID number. From your webpage - click to open the Offline Donation link. (This is listed just under goals.) The ID number is listed in the top corner under the participant's name. On your personal webpage - your ID number is at the end of the URL.
