PITTSBURGH

SATURDAY, NOVEMBER 21, 2020

Celebrating its 8th year, Chefs Create Pittsburgh gala combines food, fun and philanthropy for a delightful evening of entertainment you won't want to miss. One of the region's finest chefs will share inspired culinary creations during an evening to benefit Autism Speaks.

Our guest Chef is paired with an individual on the autism spectrum and uses their favorite foods as the inspiration to create a meal for guests to enjoy.

The elegant event blends scrumptious food, cocktails, entertainment and the opportunity to bid on exceptional auction and raffle items all while helping to create a brighter life on the spectrum.

ABOUT AUTISM SPEAKS

Autism Speaks is dedicated to promoting solutions, across the spectrum and throughout the life span, for the needs of people with autism and their families. We do this through advocacy and support; increasing understanding and acceptance of people with autism; and advancing research into causes and better interventions for autism spectrum disorder and related conditions. More than 85 percent of every dollar Autism Speaks spends funds programs and services in family services, science, advocacy and increasing understanding and acceptance.

Autism Speaks is dedicated to enhancing lives today and accelerating a spectrum of solutions for tomorrow.
