Here's what to expect:

1. **Planning begins well before Walk day.** To have a successful Walk, we ask all of our participants to register online and begin fundraising as early as possible to fuel the mission of Autism Speaks. Register at [autismspeakswalk.org](http://autismspeakswalk.org).

2. **Arriving at Walk Day you will go through our registration area.** Here you can check in or register, receive your “Mission Moment” pom pom and pick up your t-shirt, Tribute Medallion and/or Grand Club Pin (based on fundraising level attained). At this time, you have an opportunity to make/turn in any additional donations.

3. **As you enter the Walk, you will notice that the staging area leading up to the Opening Ceremonies is festive yet sensory friendly.** Light music will be playing, there will be announcements from the stage, small sensory friendly activities, and areas to learn about each part of the Autism Speaks mission. This is really a time for you and your team members to join together and celebrate the reason you are walking with Autism Speaks!

4. **Opening Ceremonies** will begin exactly one hour after registration opens. It is a short, 15-minute program in which we host a very special Mission Moment that unites us all. You will want to have the blue pom pom you received at registration handy to use during the opening ceremony.

5. **After our special Mission Moment Ceremony** there will be a sensory friendly countdown and the Walk will begin. Most Walk routes are 2-3 miles and all are family-friendly and noncompetitive so you can walk as little or as much as you wish!

6. **When you return from walking there will be additional special family activities in a fun, relaxed atmosphere.**
Setting goals

Set both an individual and team goal. Make your goals meaningful. Perhaps it’s a birthday or personal milestone in honor of the person you are walking for. For past walkers your goal might be to exceed your past fundraising. There are lots of different ways to have fun setting your goal. We encourage each person to strive for a minimum of $150 which earns you our limited edition Autism Speaks Walk t-shirt.

Here are some tips for setting goals:

Your goal should be realistic but significant. When people work hard to reach a strong goal they feel a real sense of pride and accomplishment when they succeed.

Include your team members. Having them involved in setting the amount will give them ownership in accomplishing the goal.

Share your goal with everyone, put it on your team and individual fundraising pages, in your emails, on social media posts and in your fundraising appeal letter. Sharing your goal lets others see your commitment.

Lead by example. Making the first donation towards your goal helps set the bar. By making a personal donation you show your donors and teammates how important this cause is to you.

By working with your fundraising coach and using Autism Speaks online fundraising tools, you and your team members will hit your goals in no time!

Additional fundraising ideas for you and your team*

**Garage Sale** – Spring and Fall are great times to clean out all those unwanted items and host a garage sale for your Walk team.

**Bake Sale** - Host a bake sale with your friends or at your child’s school.

**Keep the Change** – Turn your small change into additional dollars for your fundraising efforts.

**Office Fundraising Challenge** – Challenge your office colleagues to raise funds for your team. Hand out fundraising envelopes and provide an award or incentive to the top fundraiser.

**Return Address Labels or Email Signature** – Print return address labels for your outgoing mail or add a tagline to your personal email with “I’m Walking for Autism Speaks: Join or Donate Today” and include your team link.

**Business Support** – Ask local restaurants or other local businesses to place a money jar at the front of their establishment.

**Happy Hour Party** – Invite all your friends (and their friends) to a happy hour and charge a small cover fee. Invite them to join your team or give additional donations. Host a raffle or a 50/50.

**Birthday Fundraisers** – Instead of gifts have your friends and family write a check to Autism Speaks on your behalf.

**Fundraising Business Cards** – Download our walk business cards and hand them out to perspective donors.

**The Bill Collectors** – Ask your doctor, dentist, insurance agents, hair stylist, etc to write a check for you instead of the other way around!

**Karaoke Night** – Host a Karaoke night at your local bar and have people give donations to sing.

**PTO Days** – Ask your HR Dept. if you can donate your PTO time to your fundraising efforts – and consider providing an company match!

**Proceeds Benefit** – Ask a local store manager what the hot-selling item is and then ask if he or she would be willing to donate a percent of the sales from that particular item to your team.

**Curse Jar** – Always a favorite! Place a curse jar in the office and whenever someone says a bad word they have to open up their wallet, grab a dollar and put it in the jar.

**Company Grants** – Find out if your company offers grants to employees who volunteer their time for charitable causes. You may need a letter from us confirming any volunteer activities, which we would be happy to provide.

**Church Bulletin** – Place an advertisement in your church newsletter letting the congregation know what you’re up to! Or better yet, invite them to join you at the Walk.

**Schools** – Get your child’s classroom or school to help you fundraise. Check out our Kids and Coins Tool Kit.

**Alumni Organizations** – Ask your own college or university to make a donation or place an ad in their alumni newsletter about your philanthropic efforts.

**Ask for the Right Amount** – Don’t miss the opportunity to increase your “ask” to a larger pledge when you think it is doable.

**Clubs and Organizations** – Send a solicitation letter to your local Knights of Columbus, Lions Club, Rotary Club, Kiwanis, etc. They support individuals in their communities.

**Get an article in your local paper** – Contact your local media outlet to share your human interest story about why you are walking. You can put in information about how people can contribute. And have a photo ready to go!
