- All Teams that have fundraised over \$1,250 by the close of registration at 8:15am will get access to VIP.

### **Awards:**

Master Female

Master Male

Overall Female

Overall Male

Top 3 Fundraising Teams

**Run Day Registration/Donations:** Registration will be accepted on the event day via QR Code. You can donate through the QR code, cash, checks and credit card.

**T-Shirts** at registration with every registration. (Sizes are first come first serve)

**Safety:** There will be volunteers and police officers making sure that everyone who participates in the Run is safe and secure, but we would also ask each adult to help us ensure the safety of all children and individuals who may need additional supervision.

Please do not leave children alone at any of the activities or food areas. If you have any safety concerns prior to the Run, please call the Autism Speaks office at 469-265-4036 and we will be happy to address them. If you get separated from your child, please go to a volunteer in a Blue Autism Speaks T-shirt and let them know. They will notify key members of our team and assist in locating your child.

### **Pets**

Service Animals are allowed. If someone brings a non-service animal, they will have to remain around registration to avoid distracting the horse racing practice.

### **Inclement Weather**

We walk RAIN or SHINE! Please come prepared for any type of weather – be it raingear or sunglasses and sunscreen (let's hope for the latter)
