What is Fundraise Your Way?

Fundraise Your Way allows you to create your own fundraising page for ANY type of event you want!

Celebrate special occasions (birthday, graduation, etc.), organize a fitness event (pickleball, cornhole, yoga) or turn your favorite hobby, talent or passion into a way to support the autism community. You can fundraise on your own or invite family and friends to join your team. All proceeds go directly to Autism Speaks to support our mission to creating an inclusive world for all individuals with autism throughout their lifespan.

As easy as 1, 2, 3:
